**NATIONAL LACROSSE LEAGUE
OFFICIAL RULES
2009 SEASON**

SECTION I- THE ARENA

Rule 1: THE PLAYING SURFACE

- 1.1 SURFACE** - The indoor lacrosse playing surface shall be of artificial material as approved by the NLL. It shall be enclosed by a wall known as the “dasherboards” which may be constructed of wood, plastic, and/or other material approved by the NLL (Reference Diagram A).
- 1.2 BOARDS** - Measured from the surface of the floor, the boards facing the playing area shall be uniform in color (excluding arena advertisers) and free from any obstructions or objects that may cause injury. The boards shall be topped by a surrounding barrier of glass or other suitable material to a minimum height of three feet (3') on the sides and six feet (6') on the ends to keep the ball in play.
- 1.3 DOORS** - All doors in the playing area shall open away from the playing surface.
- 1.4 LINES** - Paint or tape must be used to designate line change areas in front of bench (length of bench plus six feet (6') on either side by three feet (3'). Referees shall mark proper dimensions in each arena prior to games. Adjustments may have to be made to suit various arena dimensions. Only lines approved by the NLL, including the Crew Chief, may be used for NLL games.
- 1.5 RESTRAINING LINES** - The restraining lines shall be drawn forty-two feet six inches (42'6”) out from the centerline on all new floors. All current teams with their restraining lines marked at the previous distance of twenty-seven feet (27”) shall not have to modify their existing lines.

Rule 2: GOALS

- 2.1 GOAL DIMENSIONS** - Each goal shall consist of two vertical posts joined by a rigid top crossbar. These posts shall be four feet nine inches (4' 9”) apart, and the top crossbar shall be four feet (4') from the playing surface.

The goals shall be centered from the goal line and shall be placed twelve feet (12') from the end of the enclosure. They shall be made of one and one - half-inch (1 1/2") metal pipes and must be painted red.

- 2.2 GOAL LINE** - A white line shall be drawn two inches (2") wide and between the goal posts to indicate the plane of the goal. It shall be designated as the goal line. Two poles measuring four feet six inches long (4' 6") shall run from the base of the posts until they meet behind the goal. The net shall be secured to the aforesaid poles, posts and top crossbar. A one inch (1") by one inch (1") line above and below the goal line will indicate the correct position of the goal posts.

Rule 3: GOAL CREASES

- 3.1 GOAL CREASE DIMENSIONS** - Around each goal shall be a plainly marked circle known as the goal crease. This circle shall be marked by using the midpoint of the goal line as the center and drawing a circle around that point with a radius of nine feet three inches (9' 3"). The circle shall continue until it reaches a point of intersection with a straight line that runs parallel with the goal line one-foot (1') from the point of the base of the goal. The width of the goal crease line shall be five (5") inches. The crease shall then run in a straight line parallel to the end boards (Reference Diagram B).

Rule 4: NETS

- 4.1 NETS** - The poles, posts, and crossbars shall be fitted with a cone shape netting of not more than one and one - half-inch (1 1/2") mesh. Nets must be adjusted so as to permit the ball to pass completely through the imaginary plane of the goal at any place.
- 4.2 NET MESH** - The mesh nets must fit the goals loosely so the ball will hit the mesh and remain inside the goal line. All goal nets will be black mesh. **Home club shall supply only black repair string to the officials.**

Rule 5: DIVISIONS OF THE FLOOR

A dotted circle with an inside radius of seventeen (17) inches from center shall encircle the designated Center Face-Off Spot. The outside faceoff circle has a dimension of eleven feet (11') radius.
- 6.2 CORNER FACEOFF** - Either an "X" or an "O" shall designate four spots on the floor, each being five (5) yards from the wall (dasherboards) and five (5) yards inside the attack lines to designate alternate face - off spots.

Rule 7: TEAM BENCHES

- 7.1 BENCH SPECIFICATONS** - The arena shall provide seats or benches for the use of players of both teams. The accommodations provided including benches and doors shall be uniform for both teams. Such seats or benches shall have accommodation for at least fourteen (14) persons of each team, and shall be placed immediately alongside the floor, in the neutral zone, as near the center of the floor as possible with doors opening in the neutral zone and, to the rear convenient to the dressing rooms.

In order to make records uniform; the following definitions shall be strictly adhered to:

22.3 TEAM POSSESSION - A team shall be considered in possession of the ball when a player of that team has possession.

22.4 PASS - The movement of the ball caused by a player in possession, throwing or bouncing the ball to a teammate. If a player bounces the ball onto the floor and then into the board and/or glass and toward the stick of a teammate and there is continuous movement of the ball, the pass is complete.

SECTION VI: PENALTY DEFINITIONS

Rule 36: DEFINITION OF TECHNICAL PENALTIES / CHANGE OF POSSESSION

Technical penalties are less serious in nature and include all violations of the rules of the game except those specifically listed as minor penalties, bench minor penalties, major penalties, misconduct penalties or match penalties.

Rule 37: DEFINITION OF MINOR PENALTIES

- 37.1 MINOR PENALTY** - For a "Minor Penalty", any player (except the goalie) shall be ruled off the floor for two (2) minutes.
- 37.2 POSSESSION AFTER MINOR PENALTY** - Possession goes to the team fouled, unless the penalty occurs prior to the start of a quarter or overtime period or after the whistle has sounded denoting the scoring of a goal. If the penalties are simultaneous, possession shall be awarded to the team with the lesser penalty time, or, if penalty times are equal, ball shall remain with the team in possession at the time of the first infraction.
- 37.3 BENCH MINOR PENALTY** - A 'bench minor' penalty involves the removal from the floor of one player of the team against which the penalty is assessed for a period of two (2) minutes. The designated 'inhome' player shall serve the penalty. Should the 'inhome' player already be serving a penalty, the coach shall designate a player from his team to serve the 'bench minor' penalty.
- 37.4 PENALTY RELEASE AFTER GOAL SCORED** - If while a team is "short-handed" by one or more minor or bench minor penalties, the opposing team scores a goal, the first of such penalties shall be automatically terminated. "Short-handed" means that the team must be below the numerical strength of its opponents on the floor at the time the goal is scored. Thus coincident minor penalties to both teams do NOT cause either side to be "short-handed".
- 37.5 MINOR PENALTY EXPIRATION CRITERIA** - i) Is the team scored against short-handed? ii) Are they serving a minor penalty on the clock? iii) If the answer is yes to i) and ii), you are to delete the minor penalty with the least amount of time on the clock, except when coincidental penalties are being served. When the minor penalties of two players on the same team terminate at the same time, the Captain of that team shall designate to the Referee, which of such players will return to the floor first and the Referee will instruct the Penalty Time-keeper accordingly.
- 37.6 COINCIDENTAL MINOR PENALTIES** - When coincidental minor penalties or coincidental major penalties of equal duration are imposed against players of both Teams, the penalized players shall all take their places in the penalty box and teams shall play 5 on 5.

Such penalized players should not leave the penalty box until the first **non technical** stoppage of play following the expiry of their respective penalties.

Rule 38: DEFINITION OF MAJOR PENALTIES

38.1 MAJOR PENALTY - For a "Major Penalty" in any game, the offender shall be ruled off the floor for five (5) minutes during which time no substitute shall be permitted. If two extra man goals are scored on the penalized team, the penalized team may place a player on the floor to get back to even strength. The offender shall serve the full five- (5) minutes and will return to the floor on the next **non technical stoppage of play** following the expiration of his penalty. **All "major penalties" shall be subject to fine and/or suspensions.**

38.2 TWO MAJORS IN ONE GAME - For the second major penalty in the same game to the same player, the player shall be ruled off the floor for the balance of the game, he must be replaced in the penalty box only if there is time on the clock before the expiration of the (5) minute major penalty. No substitution shall take place from the bench. If a substitution takes place from the bench the offending team shall receive a bench minor penalty for illegal substitution. When a player receives his second Major penalty, the player shall be assessed a Major plus a game misconduct.

38.3 MAJOR AND MINOR ASSESSED UNDER FIVE MINUTES IN REGULATION OR IN OVERTIME - During the last five (5) minutes of regulation time, or at any time in overtime, when a minor penalty and a major penalty are assessed to two opposing players on the same stoppage of play, the three-minute differential shall be served immediately as a major penalty.

This is also applicable when coincidental penalties are negated, leaving the aforementioned example. In such instances, the team of the player receiving the major penalty must place the replacement player in the penalty bench prior to expiration of the penalty. The differential will be recorded on the penalty clock as a three (3) minute penalty, and served in the same manner as a major penalty.

38.4 GOALIE SERVING MAJOR PENALTY - When a goalie is serving a major penalty, the penalized Team shall place the **“in home”** player in the penalty box before the penalty expires and no other replacement for the penalized player shall be permitted to enter the game except from the penalty box, unless two extra man goals are scored during the major penalty. For violation of the rule, a bench minor shall be imposed. If two goals are scored during the major penalty for the Team may go back to even strength. The goalie must remain in the penalty box until the full penalty time is served and will not be released until the next **non technical violation stoppage of play** after the penalty time has expired.

38.5 GOALIE SERVING MISCONDUCT - When a goalie is assessed a ten (10) minute misconduct penalty, the goalie must serve his own penalty.

When a goalie is assessed a minor and a ten (10) minute misconduct penalty at the same time, the “in home” player shall immediately enter the penalty bench to serve the minor penalty.

38.6 ADMINISTRATION OF GOALIE PENALTIES DUE TO INJURIES – If a goalie is penalized for a major or misconduct and substitute goalie is injured and can not continue the “in home” will serve the remaining penalty time and the penalized goalie will be allowed to return. If in the discretion of the referee a team intentionally uses this rule to gain an advantage an unsportsmanlike conduct penalty will be assessed.

When a goalie has been injured and is unable to continue to play and his substitute is assessed a major or a misconduct, the penalized goalie will remain in game and a penalty shot will be awarded to the non-offending team. The “in home” will serve the appropriate penalty time for the goalie.

RULE 39: DEFINITION OF MISCONDUCT PENALTIES

39.1 MISCONDUCT PENALTY - In the event of “Misconduct” penalties to players, the players shall be ruled off the floor for a period of ten (10) minutes each. A substitute player is permitted to immediately replace a player serving a misconduct penalty. A player whose misconduct penalty has expired shall remain in the penalty box until the next **non technical violation** stoppage of play.

39.2 MISCONDUCT PENALTY AND MINOR ASSESSED - When a player receives a minor penalty and a misconduct penalty at the same time, the penalized team shall immediately put **the “in home”** player in the penalty box and he shall serve the minor penalty.

39.3 MISCONDUCT PENALTY AND MAJOR ASSESSED - When a player receives a major penalty and a misconduct penalty at the same time, the penalized team shall place **the “in home”** player in the box before the major penalty expires and no replacement for the penalized player shall be permitted to enter the game except from the penalty box. Any violation of this provision shall be treated as an illegal substitution and a bench minor shall be imposed on the offending Team.

RULE 40: DEFINITION OF GAME MISCONDUCT PENALTY

40.1 GAME MISCONDUCT - A “Game Misconduct” penalty involves the suspension of a player for the balance of the game. A player incurring a game misconduct penalty is subject to fine and/or suspension from the League office.

The team that received the third time penalty will begin play after the penalty shot, two men down from full strength.

43.2 INSUFFICIENT PLAYING TIME WHEN ILLEGAL SUBSTITUTION PENALTY IS ASSESSED

43.3 THROWING THE STICK

- When any member of the defending team, including anyone on the bench, deliberately throws or shoots any part of a stick or any other object, at the ball or ball carrier **on a breakaway or an attacker attempting to pick up a loose ball**, the referee shall allow the play to be completed and if a goal is not scored, a penalty shot shall be awarded to the non-offending team.

A player with a 'BREAKAWAY' is defined as a player in control of the ball immediately transitioning from defense to offense with an unobstructed path to the goal and a reasonable scoring opportunity.

43.4 CREASE VIOLATION - Should a player in his own end deliberately falls on the ball in his crease in front of his goal line, or deliberately closes his hand on the ball in his crease in front of his goal line, a penalty shot will be imposed on the offending team.

43.8 ILLEGALLY ENTERING THE GAME AND INTERFERING WITH BALL CARRIER ON A BREAKAWAY - If a player on a breakaway shall be 'interfered' with by the player of the opposing side who has illegally entered the game, the referee shall impose a penalty shot against the side to which the opposing player belongs. **'Interfered' as per this rule, does not imply physical contact by the defender.**

SECTION VII: FLOW OF THE GAME

Rule 44: FACING AT CENTER

44.1 BEGINNING THE GAME - Play shall be started at the beginning of each quarter or overtime period and after each goal by facing the ball at the centerline "X" or "O". Prior to the start of a face-off at center, one (1) player from each team shall be at the center "X" or "O". If a player or team delays the game prior to any face-off, possession goes to the offended team.

If by reason of insufficient time in the regular playing time or by reason of penalties already imposed, the minor penalty assessed to a player for deliberately displacing his own goal post cannot be served in its entirety within the regular playing time of the game or at any time in overtime, a penalty shot shall be awarded against the offending team.

93.2 PENALTY SHOT - If the goal post is deliberately displaced by a goalie or player during the course of a “breakaway”, a penalty shot will be awarded to the non-offending team. **The official will stop play immediately and award the penalty shot.**
